

FC280.23 Chairman's report for December 2023 PC meeting

I have welcomed out new Clerk, Carla Walker, to the village and I am grateful to GE for all his help in showing her around the village. Although Carla does not live in the village she has taken a great interest in all the areas.

In my role as District Cllr I have sent a letter to the Chief Exec at Tesco reporting an accident that has happened to an elderly resident on Friday 8th December, on the zebra crossing as you leave Tesco, although not badly hurt, thank goodness, that is a real danger area. I had an immediate response to my email from Tesco and they asked for photos of the area. I have asked the Clerk to take the photos and they have been sent off to the CEO at Tesco. We await further response from them. I would urge all residents to report any accidents on that crossing.

I can also report that the development at Saxon Way, Bridge House site, which you may remember will become a TESLA building and car servicing area. Contractors have been finalised and work will begin in February 2024.
